MUNDARE SCHOOL OPENS THE NEW GYM FOR TOWN-WIDE GARAGE SALE

Have you started spring cleaning and have “stuff” to get rid of but are not sure what to do with it? How about using it to support the Grade 5&6 students of Mundare School as they continue fundraising for their bi-annual trip to Drumheller for three days this June. This educational trip offers students the opportunity to go to the Atlas Coal Mine, Homestead Museum, Reptile World and of course the Tyrell Museum. Students also enjoy much of the landscape as they usually go on 3-4 hikes. Time for the waterslides in the evening is also a hit!

The Drumheller fundraising committee is wrapping up their fundraising with one last activity- the Mundare Town wide garage sale. They are selling tables for the town-wide garage sale on May1, 2010. For anyone wishing to sell their own items, tables are available for \$5.00 or a donation of greater value towards the trip. This is an ideal place in case of rain or if you live out of town.

If you do not want to purchase a table, the students are also collecting item donations to sell at their own tables. Items must be clean and in working order. Please do not send child car seats. Since storage space is limited, you can start to drop items off at the school office any time after April 19th. This gives students an opportunity to sort and price the items.

If you are not interested in purchasing a table or have items to donate, please stop by the gym for some great deals!

If you have any questions or would like to purchase a table, please contact Lisa or Robin at the school at 780-764-3962.
