### Mary Immaculate Auxiliary 1971-2021

Mary Immaculate Auxiliary is proud to be celebrating it's 50 Anniversary this year!

Although 2021 promises to present many challenges, Auxilians will draw upon their positivity, strength and determination to overcome what the year may unfold.

At time of printing, the Auxiliary is not meeting in person nor is the Care Centre open to volunteers but, members continue to work on

various projects from home.

January 2021 began with New Year's greeting cards delivered to the Care Centre residents in addition to phone calls and texts where appropriate. For the residents, watching Chickadees feast at the new bird feeder brightens even the dreariest of winter days. And , February 14th was just a little more festive with the arrival of Valentine's Day cards, chocolate's and pastries. Plans to surprise the residents for St. Patrick's Day, for Easter and just for fun, are in the works.

Auxilians look forward to resuming volunteer activities, meeting with their fellow members and, of course, joining in as the community revitalizes in person events. Until then, be well, keep safe. We hope to see you soon!!!

The cold and tight grasp of winter is slowly starting to ease, and everyone is looking forward to spending more time outside! Our students took advantage of the cooler weather in February and kept working diligently on their personal learning goals. We are so impressed with the strides they continue to make in literacy skills. It is so encouraging to see how many families have rediscovered to joy of reading during this pandemic. Successful students all have a love of reading and we encourage students to read each night, as part of their family routine.

Last week, students and staff demonstrated their support of anti-bullying by wearing pink and we even spotted a few parents wearing pink in the community! Thank you, parents, for completing the fees survey. Your feedback continues to assist with guiding the decision making at the school. Special thanks go out to our community partner - Servus - for their very timely donation of new hats and mitts. Thank you for demonstrating kindness and leadership in Mundare. St. Patrick's day is coming soon so don't forget to locate something green to wear that day! Have a great month ahead!
