Our Mission statement: We support the sustainable growth of our diverse community by building solid foundations for success and providing an exceptional quality of life through progressive governance! Our Vision Statement: Town of Mundare is a growing community that we/you are proud to call HOME

A Note From Public Works

Please do not put flushable wipes, Lysol wipes, or terry cloths down the sewer (toilet or drains) As it plugs the sewer pumps and causes a back log and flooding in basements.

Please do not leave extension cords across sidewalks as it damages our snow removal equipment.

Council Updates

If you have a complaint or concern that needs to be addressed by council- please put in writing and forward to the Town Office. All New correspondence will be tabled at the next council meeting. Next Council meeting January 4 & 18

Recycle Yard

No we do NOT accept grass clippings or yard debris, those need to go in your grey bin, we do however take branches, and trees, small electronics & batteries.

The Yard is open second Saturday of the month 10am-12noon for your debris.

MARY IMMACULATE AUXILIARY

Auxiliary elves were very busy in the days before Christmas. New for this year Auxiliary donated 30 Christmas calendars for the Care Centre residents. It was great fun to see the residents counting down the days to Christmas, reminiscing about the past Christmases and nibbling on the chocolates hidden behind each little door!

To add to the festive mood, Auxilians sent each resident a Christmas card, as well as adding colourful touches around the Care Centre, from Christmas trees and wall decorations to bulletin board décor, snowmen and window clings.

Also new for this year, the Auxiliary donated outdoor Christmas lights. Thanks to the maintenance department, the lights were installed along the entire south fence. The display looks gorgeous at night. Be sure to check it out!

Auxiliary elves had a blast shopping for

resident gifts and stocking stuffers. But, well in advance of the special day, Santa's helpers gathered up Christmas gifts, wrappings and special treats for the stockings. Everything was wrapped, labelled and delivered early just in case...

HO!HO!HO! Volunteering is fun, you know!

The Auxilians are delighted to be a part of the many activities celebrating the joy of the Christmas season. The Auxiliary's volunteer projects, donations and residents' gifts are only possible because of the support of a caring Community. Thank you! It means the world to the residents that someone they don't know, is thinking about them and wishing them well.

May the joy of Christmas warm your heart throughout the year!

MUNDARE SCHOOL

This December, some school traditions started to re-emerge. In keeping with covid-19 health and safety guidelines, students went skating and swimming. One of the skating opportunities was with the Sherwood Park Crusaders at our local arena. What a treat! Thank you to Town Council and to the Ag Society for supporting our work in promoting daily physical activity. Our parent council hosted a successful hot dog lunch for our students. It was the first one since the pandemic began - so it was tasty and very well received. Thank you, parent council and the school society. In lieu of a Christmas concert, students prepared a few Christmas carols which were hosted on the school's YouTube channel. Students also participated in a winter carnival and a class movie before the break. What a great way to end 2021! Mundare students and

families donated about 900 items to the Lamont County food bank. What a generous way to support others in our community.

January is a time to reflect and plan for the spring and for the future. Students are busy setting goals, reading and planning to be even more successful in their studies. Fingers crossed that we don't have too many stay-in recess days! We love our outdoor time! On behalf of the staff at Mundare School - all the best in 2022! Stay healthy everyone!

William Korec, MEd
Principal

Stay healthy everyone!

LIBRARY NEWS
